Backup Number (Network Office) 785-532-5995

-
- To participate in your conference, call your assigned TeleBridge Access Number. Use the Backup Number if you have difficulty joining the conference.
 - If your call is Operator Assisted, you will be greeted electronically and then by an operator who will assist you.
 - If your call is Automated Pin Code you will be greeted electronically and prompted for the pin code. In case of difficulty (i.e., lost pin code) an operator will be standing by.
 - If you have line noise that interferes with your reception, please hang up and place your call again.
